NINETEENTH YEAR

INDEPENDENCE DAY CITY COUNCIL MEETS RATES REAFFIRMED

Safford Will Have the Best Celebration on Nation's Natal Day

The committee of arrangements for the celebration of Independence Day in Safford is working hard to complete the program for the entertainment of the people of the valley on the greatest holiday observed by the people of the nation.

The committee, after providing for other sport which will take place on Tenth street, contemplates a tug of war contest between competing teams of the valley towns and will provide a very handsome prize for the winners.

A team will be organized at once in Safford and practice work will begin this week. Every town in the valley is invited to get up a team to participate in the tug of war contest and organizers of teams are requested to communicate with the secretary of the committee, E. W. Clayton, not later than June 25th, who will enter the teams and give all information regarding the contest.

A tug of war contest is one of the most interesting sports of the day, and the exhibition of strength which will be given by the teams of strong men of the valley will be one of the most enjoyable events of the day.

Beginning with the parade in the morning at 9:00 o'clock, the program for the day fairly bristles with events that will please the people and make the day a real holiday and one of enjoyment.

The literary program will take place in Wickersham park. The barbecue will begin at noon and will be the best ever yet given in the valley. There will be plenty of beef and mutton to feed several thousand people. After the barbecue there will be a game of baseball between the Ft. Apache club and the Central club.

Following the ball game the street sports will begin on Tenth street and will last several hours. A good program, including tug of war and novelty races has been provided.

There will also be a wrestling match between Leo Rockler, of Globe, and Young Hall, champion of the Pacific coast, at Brier's Hall.

In the evening a grand ball will be given in Brier's Hall.

Safford intends to outdo itself in making this year's celebration of Independence Day the very best that has ever been held in the valley, and will endeavor to do everything to make the day an enjoyable one for every visitor.

Dr. Galbraith also brought with him a signed statement from 800 members of the Berlin Medical Society that Piorkowski was the first to produce cultures from tubercular turtles.—New York American.

Supreme Courts Hands Down Decision Upholding States' Right to Regulate

A dispatch from Washington, D. C., dated June 16th, states that without varying a dot from the principles laid down last week in the Minnesota rate cases, the Supreme Court of the United States upheld today state railroad rate legislation of Missouri, Arkansas, Oregon and West Virginia. The legislation included the two-cent passenger fare laws of Missouri, Arkansas and West Virginia the maximum freight rate laws of Missouri, Arkansas, and freight rates out of Portland, in the Oregon cases.

The only exception to the sweeping approval of the state statutes was in the case of several of the weaker roads of Missouri. The Kentucky case was not decided. It involves an attack on state rates from river points to inland distillery cities and attacks the constitutional validity of the McChord act enabling a state railroad commission to fix reasonable rates on interstate business.

The decision was announced by Justice Hughes, who also announced the decision in the Minnesota cases a week ago.

OLNEY BUYS LOT

Pays \$60,000 for Price of Phoenix Property

One of the biggest real estate deals to be put through in Phoenix within the last week or so was that made this week by W. B. Twitcheil when he sold lot 2, block 80 to Geo. Olney for \$60,000.

This property is on the corner of Washington street and Second avenue, opposite the Ford Hotel, and is one of the finest business locations in the city. It is not known what Mr. Olney intends to do with the property, but according to reports he will probably remodel the present building or tear it down and erect a handsome new structure.

A one-story brick building occupies the property. On the corner is the office of the Arizona Trust company, closed a few months ago. Back of that, on Second avenue, are the offices of Dr. J. M. Swetnam, the state veterinarian and Mr. Twitcheil.

Some four or five years ago Mr. Twitcheil bought the block for \$20,000 from Dr. E. E. Ford. A few months ago he sold it to the Arizona Trust company for practically what he had given. The trust company paid \$10,000 and then dropped the deal.—Gazette.

SOME THOROUGHREDS

Victor Holding, the genial manager of the Gila Valley Milling Co., is an enthusiast on horse flesh. While living in Phoenix Mr. Holding became the owner of several standard bred trotters and pacers, and when he moved to Safford the past week, he brought all his horses here and next they will be put in training.

Among the string is Maggie Barkley, champion pacer mare of Arizona, who has a fine colt sired by Directly, who holds the world's record as a three-year-old. Another mare, Lady Beggella, has a colt by this famous sire.

Mr. Butler, of Phoenix, an expert horse trainer, came over with the Holding horses. Mr. Butler will remain here this summer and train harness horses.

THE M. M. G. CLUB

A new club was organized in town this week. The officers elected were: Chief Growler, E. W. Clayton; Vice Growler, Chas. Freeman. The other officers have not been selected, but several ordinary members have been added and no doubt there will be additions to the membership each week. George Taylor and John F. Weber were elected at the last meeting of the club held several nights ago. The name of the club was chosen at the recent meeting. It is "The M. M. G. Club." There is something in a name, but this is a secret.

OBJECTS TO TITLE

The following communication was received from our old friend, George Healy and speaks for itself:

"EDITOR GUARDIAN—I notice in your Ft. Thomas notes that your correspondent refers to me as a retired capitalist. If a person working every day for a very meagre livelihood is a retired capitalist, I am curious to know how he would classify the genuine article."

"GEORGE W. HEALY," Ft. Thomas, June 18, 1913.

NEW ARRIVALS

Mr. and Mrs. Victor Holding are now domiciled in their new home, Mr. Holding having rented the Robinson residence on M street. Mrs. Holding arrived here last Tuesday evening from Phoenix; their old home, and their furniture came in on Wednesday. Mr. and Mrs. Holding will be welcomed here as permanent residents of our town.

WILL BE HOME SOON

Mrs. F. L. Ginter, who recently underwent successfully an operation in St. Joseph's Hospital, Phoenix, has so far recovered as to be able to leave the hospital and is now stopping with her mother, Mrs. Heritage, in Phoenix. Mrs. Ginter expects to be home next Monday and will be accompanied by her mother and little daughter, Ula.

TAILINGS CASE ENDS IS NOW AVAILABLE

Farmers of the Gila Valley For One More Week You Have Won a Grand Victory

On Monday last, the Supreme Court of the United States handed down a decision in the famous tailings case, brought first in the District Court of this county by W. A. Gillespie against the Arizona Copper Co., and tried by Judge Nave.

The decision was that the tailings must be kept out of the river. The case was appealed to the Supreme Court of the territory. The decision of the lower court was affirmed, and R. G. Layton appointed to see that the mandate of the court was carried out. Appeal was then taken to the United States Supreme Court.

Since the decision of the Territorial Supreme Court the companies have kept most of the tailings out of the river.

The decision that mining companies cannot pollute streams of water used for irrigation purposes, will benefit hundreds of thousands of farmers throughout the country.

This decision is particularly gratifying to THE GUARDIAN, for about sixteen years ago this paper called attention to the fact that something was being dumped into the river that would finally ruin the farms and has kept the fight up ever since.

The damage done by these tailings to the Gila valley will be difficult to estimate, although it will probably be done and damage suits against the companies responsible instituted.

ODD FELLOWS HOME SAFETY COMES FIRST

Grand Lodge Is Looking for a Site, Will Spend \$10,000

The following communication was received by Mt. Graham Lodge No. 24, I. O. O. F., from N. A. Morford, of Phoenix, chairman of the board of trustees of the Grand Lodge of Odd Fellows of Arizona:

Sirs and Brothers:—The trustees of the Grand Lodge, under instructions from that body, are about to secure a tract of land for the Odd Fellows Home.

The board is limited to a \$10,000 investment. Kindly send description of any property you may have to offer in your vicinity at your earliest convenience, not later than June 30, with price and terms.

It will be useless to offer any property the title of which is not perfect.

Yours fraternally,
N. A. MORFORD,
Chairman.

Anyone having a tract of good farming land of about 40 acres or more should communicate with Mr. Morford, stating location and price wanted for land.

The communication to the local lodge of Odd Fellows brings to mind the fact that in 1908 the local lodge members, assisted by the leading citizens of Safford and the valley, bought and paid for 20 acres of fine farm land, situated west of town and part of the big Anderson ranch, and offered same as a site for the home.

A committee consisting of A. R. Lynch, John F. Weber and J. G. Belt, was sent to Phoenix to present the offer of the home site to the Grand Lodge. The site was accepted much against the protest of the Phoenix lodge, and finally at a succeeding meeting of the grand lodge, through a report of the trustees, who claimed that there was a flaw in the title, the matter was reconsidered and the site rejected.

The small error appearing in title had been quickly perfected by the court and the title to the land made good, but this was not sufficient in the minds of the Phoenix delegates, and the site for the home was lost. Mr. Anderson paid back all the money that had been subscribed and took the property back, which now could not be purchased for less than \$250 per acre.

Evidently Phoenix was not ready for the home and Safford got it away from them after a stubborn fight, only to lose it at the Tucson session of the Grand Lodge, where the opponents to the location of the home in the Gila valley were strongly represented.

Knowing the proclivities of the Phoenix people to grab everything in sight, it may be now that they are ready to take over the home for the Odd Fellows, after allowing the other lodges a chance to send in propositions for the site, that the offer of the trustees will be understood that the site will be selected near Phoenix.

WRESTLING MATCH

Leo Rockler Agrees to Throw Hall Twice in Sixty Minutes

The challenge of Leo Rockler, of Globe, to Young Hall, champion of the Pacific Coast, to wrestle on July 4th at Brier's Hall, has been accepted by Hall.

Rockler agrees to throw Hall twice in sixty minutes, failing to do this, or if Hall secures one fall, Hall wins the match.

Rockler, who is the "bicycle cop," of the Copper City, is a well-known wrestler and has been very successful at the game. Young Hall, who has successfully contested the title of champion of the Pacific Coast, defeated the local favorite, L. G. Haby, at Briers Hall, several weeks ago.

Hall feels confident that Rockler cannot throw him and will back himself for a reasonable sum that the honors of the match will fall to him.

This match comes in with the day's sports on July 4th and will be a very interesting event. Wrestling is a clean sport and one that can be witnessed by women.

NELSON-PLATT WEDDING

About 250 invited guests were present and assembled on the lawn, decorated with Japanese lanterns, at the residence of Mr. and Mrs. B. T. Platt on Wednesday evening when their daughter, Miss Lola was married to Mr. David Frank Nelson.

The lawn had been beautifully illuminated and chairs placed for all the guests. At nine o'clock Miss Bessie Davis opened Lohengrin's bridal chorus by Wagner and almost immediately the prospective bride and groom appeared on the porch and stood underneath a beautiful bell made entirely of flowers, and were met by Bishop J. R. Welker, who in a few impressive words pronounced the happy couple husband and wife.

The Platt home had been beautifully decorated for the occasion and for the reception of the large number of invited friends.

A pleasing program of songs, recitations and speeches was carried out after the ceremony, followed by delicious refreshments, served by beautiful young girls.

The bride was a picture of beauty, dressed in white embroidered voile, with orange blossoms in her hair and carrying a bridal bouquet of white carnations.

Both Mr. and Mrs. Nelson are popular young people and carry with them the best wishes of the entire community.

Mrs. John F. Weber left Tuesday morning for Long Beach, Cal., where she will spend the summer months.

Mrs. C. J. McElroy and little son, of Globe, are here on a two weeks' visit with Mr. and Mrs. Mack, parents of Mrs. McElroy.
